## SIMPLE WAYS TO

## BEGIN WITH PRAYER

*"God, may your kingdom come and will be done. Please provide me with an opportunity today to bless someone or someplace. Help me be aware of your presence and your leading today."*

## LISTEN

*"God, how do you want me to bless the world today? Help me to listen to and discover the needs of others and where you're at work."*

## EAT

*Eating is one of the fastest ways to move a relationship from acquaintance to friendship.*

**Who can you eat with (or have a coffee with) that**

**is far from God?** A co-worker over lunch? A neighbour during the day? A friend or family member over the weekend?

# SERVE

*Before jumping into serving, have you taken the time to pray for, listen to and eat with these people? Doing these things first helps you discover the way that you really need to serve them.*

# STORY

*You can't spell BLESS without the second S. In other words, sharing the story of God with others is necessary to participate in God's mission (Matt 28:18-20).*
