

We are different

Christian Identity,
Motivations and Worldview

The Church is to be
as Christ

Summary:

Do not live as the Godless live. They have replaced the truth with a lie. They have fully deceived themselves and can never be satisfied.

Summary:

You, however, are not Godless; the life of Christ lives within you. You are no longer to follow Adam in his failure but are to live out the victory that Jesus has won for you. Live out the fact that you are the image of God because there is no greater way to live.

The fruit of
godlessness is
sin

The fruit of new
identity is
righteousness
